

## Environmental and Experiential Variables: Partial Beta Coefficients After Controlling for Variables in Earlier Blocks

### Probable Major and Place of Residence (Block 2 Variables)

*Partial Betas After Controlling for Variables in Block 1 (entering freshman characteristics)*

	Spiritual Quest	Equanimity	Charitable Involvement	Ethic of Care	Ecumenical Worldview	Religious Commitment	Religious Struggle	Religious Engagement	Religious Conservatism	Religious Skepticism
Plan to live at home		-.04	-.06	-.04						
Major: Agriculture							.03	-.02		
Major: Biological Science			.05	.05						
Major: Business					-.05		-.06		.03	-.05
Major: Education								.03	.02	-.02
Major: Engineering	-.05	-.03	-.12	-.12	-.05			-.07		
Major: English						-.02	.06			
Major: Health Professions	.05	.04	-.06			.03			.03	
Major: History/ Political Science	-.03			.03						
Major: Humanities							.03			
Major: Fine Arts							.03			
Major: Math/Statistics	-.04		-.04	-.03	-.03					
Major: Social Sciences			.07	.08		-.03	.02	-.03		
Major: Other Tech Fields			-.03							
Major: Other Non-Tech Fields								.04		
Major: Undecided					-.03					

**College Experiences (Block 4 and Block 5 Variables)**

*Partial Betas after Controlling for Variables in Blocks 1, 2, and 3*

	Spiritual Quest	Equanimity	Charitable Involvement	Ethic of Care	Ecumenical Worldview	Religious Commitment	Religious Struggle	Religious Engagement	Religious Conservatism	Religious Skepticism
Faculty encourage search for meaning and purpose	.15	.08		.15	.13					
Faculty encourage spiritual development	.16	.10	.13	.17	.17	.08	.14	.14	.06	
Group projects		.09				.04			.04	-.03
Reflective writing/journaling			.10	.11				.04		
Contemplation/ meditation			.10							
HPW Partying						-.08		-.11	-.14	.05
HPW Studying/Homework	.08	.10		.09	.06		.04			
HPW Student clubs/groups		.10	.26		.03			.05	.05	
HPW Watching TV			-.08	-.09	-.07		.02			.03
HPW Working for pay	.04		.02							
Talked w/faculty outside class			.17	.11	.08		.01	.07		
Community service for class	.09			.12	.09					
Socialized with different racial groups		.07	.08	.11	.12					
Took interdisciplinary classes			.08		.10		.12		-.01	-.03
Joined a sorority or fraternity		-.01	.14	.01						
Had part-time job on campus					.06			-.01	-.02	
Worked part-time off campus				.05	.03					
Worked full-time during school				.03						
Had a romantic relationship										
Had a personal illness or injury						.03	.04			
Participated in study abroad		.06		.06	.09		.08		-.03	.03
Participated in leadership training		.08	.19	.16						
Participated in football or basketball		.03		-.02			-.05	.02	.03	-.02
Participated in another intercollegiate sport										
Drank beer/wine/liquor						-.07	.07	-.11	-.11	.05
Parents divorced or separated					-.05					.03
Death of close friend or family			.07				.05			-.03
HPW Video or computer games		-.12	-.07			-.04		-.04		
HPW Shopping		-.03	.05		-.03			.05	.02	
ROTC						-.02				.03
Student government			.12							
Donated \$ to charity	.08	.12		.15	.10	.08	.05	.13	.07	-.04
Performed volunteer work		.13		.16	.10			.08		

	Spiritual Quest	Equanimity	Charitable Involvement	Ethic of Care	Ecumenical Worldview	Religious Commitment	Religious Struggle	Religious Engagement	Religious Conservatism	Religious Skepticism
Helped friend with personal problems	.15	.17		.15	.15	.05	.06	.05		
Went on religious mission trip		.08	.09					.17	.10	
Participated in campus religious org			.08	.03		.16		.25	.17	-.13
Discussed religion with professors, peers, staff	.23		.23	.20		.18	.13	.30		
Self-reflection	.28	.18		.14	.21	.13	.15	.14		
Meditation	.16	.15	.14	.13	.14	.16	.08	.23	.08	
Yoga					.10	.03		.10	.02	.01
Took religious studies class								.17		-.03
Prayer		.21	.15			.54	-.02		.48	-.45
Religious singing/chanting						.25			.30	
Reading sacred texts	.11	.19			.07	.32	-.02		.36	-.25
Other reading on religion/spirituality	.16		.15	.15	.18	.23			.22	

**Note:** All college type variables are listed (statistically significant partial Beta coefficients [ $p < .001$ ] for those college type variables that did not enter the regression are shown in italics). Partial Beta coefficients for all other variables are shown only if the variable entered at least one of the 10 regressions.
